

346A Plug

**PN # 400480MHS
D4 Monitor Cord**

Application:

TAG's D4 Monitor Cord (PN# 400480MHS) is used to access dial tone from FXS and FXO cards. The D4 Monitor Cord directional switch enables dial tone to be pulled from the far end when plugged into the FXS card or near end (SMAS/Frame) when plugged into the FXO card.
