(P/N # 73-16-598)

Tool and Test Set Repair Ticket

Please complete the form below. If possible, include the Serial Number/Asset Tag of the unit.
The Ship To Address is required. **It will be the address that the unit will be returned to.**
Upon submission, a shipping label will be generated. This must be included on your return. You will be notified via email when the equipment is received by the Supplier and when the Repair has been completed.

Repair Return Label

Once the ticket has been created and submitted, if successful, the user will receive a **Repair Tag Number** and shipping document as shown in the example below.

- Please print **(3) three copies**, this allows the user to keep one, place one inside the box, and place one outside the box when shipping your tool/material for repair.
- Once you have completed printing all of your copies you can exit out of the Repair Return Label screen.
