

(1) ST-DMXDGDS3 *
ALU - DMX 1665 DS3 Streaker Card
w/ LED's - 48 Port

** for use in slots configured for LNW19*

Application:

The TAG Streaker Card (PN # ST-DMXDGDS3) is utilized by installers to quickly and easily verify wiring from the backplane of the ALU - DMX 1665 DS3/EC1 card slots where PN # LNW19B or equivalent will be used. The "streaker" test determines whether or not the ALU - DMX 1665 card slots are properly connected through the interconnect wiring.

The ST-DMXDGDS3 Streaker Card does not require a powered backplane.

Approx. Dimensions:
16" (H) x 20" (L)
